Exploration

PLAYGROUND

for your child's

Welcome To The Humongous Entertainment Experience.

Remember how much fun it was as a kid to explore

the world around
you? The thrill of a
new sight. The
magic of an
unfamiliar sound.
The amazement of
a discovery made
all on your own.

Well, here at
Humongous

Entertainment, we

know that even though times change, kids are still
as curious as ever. That's why our software products are
more than just fun. They're designed to expand your child's
natural curiosity and sense of adventure.

With their detailed graphics and amazing sound, our interactive
adventures immerse children in a colorful, fun world. What's
more, it's a world they control. And one they'll want to visit
again and again.

There are lots of lovable, heart-warming characters children
discover along the way. Who could resist such a whimsical
group of interactive playmates?

It all adds up to a fun-filled phenomenon known as the
Humongous Entertainment Experience. After all, we know
that you don't underestimate your child. So why should we?

Putt-Putt®

Joins The Parade™

**Kids are caught up for hours
in this lively adventure.**

What does it take to be in a parade?

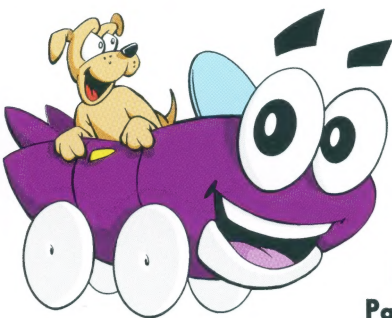

Hard work, a bright, shiny chassis
and a little help from your friends.

That's what Putt-Putt discovers as
he gears up to join the annual

Cartown Pet Parade. Children will

be delighted as they meet the local carfolk,
explore a toy shop, tool down the road and more. Along the
way, they learn to think ahead, deal with unexpected problems,

and give others a hand. The road to discovery has never been

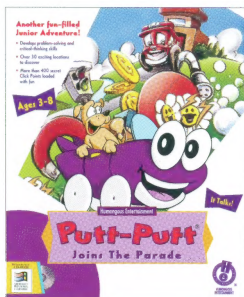

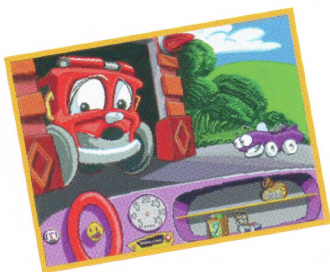

more fun – or more
educational. Charming
talking characters,
lively sound effects and
lifelike animation keep
your child focused on
the adventure.

**Putt-Putt Joins The
Parade™** is fully-loaded with

originality and activity. Even adults find it hard to resist getting
in on the fun. What's more, Putt-Putt offers lots of exciting new
options every time kids play. The result is an entertaining learning
experience that never gets old.

Ages 3-8

Available for Windows, DOS, and Macintosh
(CD-ROM), DOS and Macintosh (Disk)

Putt-Putt®

Goes To The Moon™

Kids are lost for hours in this fascinating adventure.

What if you landed in a strange place and had to get home? That's the challenge for Putt-Putt and his friend, Rover, a lonely little lunar terrain vehicle left behind by the astronauts. To get home, they have to rebuild a rocket – but first they've got to find all the parts! Kids are captivated by the colorful characters who help them, including Governor Moonbeam, a host of friendly aliens and even the Man In The Moon! It's a space-age world of wonder, laughter and learning, all in one.

Lively talking characters and detailed animation keep children riveted for hours.

Putt-Putt Goes To The Moon™ is

so entertaining, even adults have a hard time

resisting the pull of this cosmic

adventure. What's more, Putt-Putt features lots of fun new surprises every time kids play. It all adds up to a stellar experience that's truly out of this world.

Ages 3-8

Available for Windows, DOS, and Macintosh (CD-ROM), DOS and Macintosh (Disk)

FREDDI FISH

And The Case of
The Missing Kelp Seeds™

Kids submerge for hours in this incredible underwater adventure.

What if somebody swiped all the food on earth? That's what Freddi Fish tackles as she and her friend Luther track down Grandma Grouper's missing kelp seeds. Without the seeds, Grandma's kelp garden will be bare and there won't be food for the fish in the ocean. Children are charmed as they meet

unforgettable sea creatures, good and bad, funny and sad, smart and smug. They help Freddi make friends, think ahead, do good deeds, and solve problems. It's a watery world of discovery, laughing and learning all in one. Engaging talking characters and stunning hand-drawn animation keep your child engrossed in the adventure.

Ages 4-9

Available for Windows® & Macintosh® CD-ROM

Fatty Bear's™

Birthday Surprise

Kids are wrapped up for hours in this fun-filled midnight adventure.

What if you had just a few short hours to put together the best birthday party ever? Help Fatty Bear, Matilda Rabbit and Gretchen the Doll work together through the night to prepare a surprise party for Kayla. There's so much to do! Find

ingredients for the cake, decorate – plus

stop a pesky puppy who keeps running off with their stuff. Children can't resist having a whole houseful of fun things to see and explore. It's a recipe for discovery, laughter and learning, all in one. Delightful talking characters and enchanting animation keep your child fascinated, time after time.

Fatty Bear's Birthday Surprise™ is so entertaining and original, kids will have a hard time keeping adults out of Kayla's kitchen! What's more, Fatty Bear features hours of activity, and learning that is always fresh, never boring. Kids meet exciting new surprises every time they play.

Ages 3-8

The Airport™

JUNIOR Field Trips

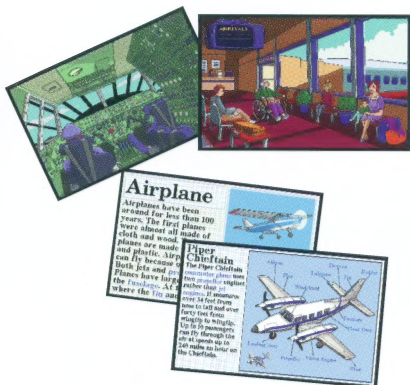

TM

The Airport™ captures all the fun, energy and excitement of a real working airport. Kids can check out the ticket counter in the main terminal. Work the controls in the cockpit of the Concorde®. And see how the ground crew prepares the planes. They can even sneak behind the scenes and find out where baggage **really** goes. And that's just the beginning of this incredible tour.

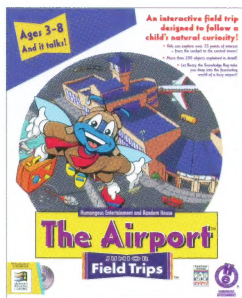

Junior Field Trips™ turn kids loose to discover exciting new places up close and on their own. Children decide where they want to go and how much they want to know. Detailed explanations, lively sound effects and colorful animation make every trip truly one of a kind.

Kids will want to come back to **The Airport** again and again. It's a place where curiosity and understanding reach new heights – and the fun never stops.

Ages 3-8

Available for Windows® & Macintosh® CD-ROM

Humongous Entertainment and Random House

The Farm™

JUNIOR Field Trips™

A visit to a farm is a thrilling adventure for any child, and **The Farm™** provides lots of first-hand opportunities for discovery. Visit the big red barn and watch a cow being milked. Take a peek inside the chicken coop and find out where eggs come from. Help harvest the corn and feed the pigs. Don't miss the pond - there's a beaver dam to explore. And that's only the beginning.

Junior Field Trips™ turn kids loose to discover exciting new places up close and on their own. Children decide where they want to go and how much they want to know. Detailed explanations, lively sound effects and colorful animation make every trip truly one of a kind. Children will want to visit **The Farm** again and again. It's a place where understanding and experience grow and fun never ends.

Ages 3-8

Tractor

Tractors are useful machines on the farm. Tractors are used to pull several types of farm tools. The plow breaks up the soil. The cultivator smooths out the soil for planting. The tractor also pulls other machines that

Cow

This kind of dairy cow is called a Holstein. She is easy to recognize by the black and white markings on her hide. She provides six to twelve gallons of milk a day for the farmer's family. To make that much milk, she has to eat about 50 pounds of food every day. A baby cow is called a calf.
